

Dr. Michael Moses

Michael Moses, M.D., FACS provides personalized, discrete surgical treatments to maximize natural-looking results. A graduate of Yale College and the medical school at Tulane University, Dr. Moses completed a general surgery residency at Yale and a plastic surgery residency at Massachusetts General Hospital in Boston. He performs a range of cosmetic procedures including facelifts, liposuction, breast augmentation and reduction, rhinoplasty, chemical peels, eyelid surgery, and abdominoplasty in his beautiful Garden District offices and offers an on-site surgical clinic and recovery center for maximum patient privacy. Dr. Moses also provides each patient with an in-depth, individualized consultation for best results.

Dr. Moses also completed a fellowship in craniofacial surgery at The Children's Hospital and Brigham and Women's Hospital in Boston and is the founder and director of the Cleft and Craniofacial Team at Children's Hospital in New Orleans.

He is Chief of Plastic Surgery at Touro Infirmary and on the faculty of Tulane and LSU Schools of Medicine.

For an individualized consultation call 504-895-7200.
